SMS COMMUNICATION CONSENT (OPTIONAL)

Half/Ave operates an AI assistant for residents. By checking the box below and providing your mobile number above, you consent to receive SMS text messages from Half/Ave on behalf of your property management company regarding your tenancy.

Messages may include: answers to questions you text the assistant about your lease, rent, and building policies; building announcements and service updates; maintenance request confirmations and status updates; and rent and account-related reminders. All messages are transactional and service-related — no marketing or promotional content.

Message frequency varies based on your inquiries and your property manager's communications. Message and data rates may apply depending on your mobile carrier plan. Half/Ave does not charge you directly to use this service.

You may opt out at any time by replying STOP to any message. Reply HELP for support.

Consent to receive SMS messages is NOT a condition of your lease or tenancy. You may decline this consent and your tenancy will not be affected. For full terms see halfave.co/sms-consent.

☐ I agree to receive SMS messages from Half/Ave at the mobile number provided above.
